

### **Proper Procedures for Repairing Ball Marks**

- A. Discard the loose piece of turf taken out by the ball.
- B. Insert repair tool just outside the back of the ball mark. Push the turf toward the center of the hole. Repeat this same motion on all sides of the hole.
- C. Gently tap the repaired area with your putter.
- D. This action stretches undamaged turf over the ball mark, providing instant recovery.

### **The Importance of Repairing Ball Marks**

- **A fresh ball mark repaired by a player takes only five seconds.**
- **A freshly repaired ball mark completely heals in 24 hours.**
- **A fresh ball mark left unrepaired for only one hour requires 15 days time for satisfactory healing.**
